ARTICLE 4. ARCHITECTURAL CONTROL

4.1 Review of Proposed Construction. With respect to the Declarant Property, no building, sign, exterior wall, fence, or other exterior structure or improvement shall be commenced, erected, maintained, modified or replaced, nor shall any trees, shrubs, bushes or plants be planted, nor shall any exterior painted surfaces be repainted, nor shall any addition or change or alteration be made to the exterior of any building or improvement, nor shall there be any material modification of any previously approved landscaping until plans and specifications showing the nature, kind, shape, height, colors, dimensions, materials and location of the same shall have been submitted to and approved in writing, as to harmony of external design and color and location in relation to surrounding structures and topography, by the Declarant. The Declarant shall approve proposals or plans and specifications only if submitted for its approval by the Lot Owner and only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the Development, that the appearance of any structure affected thereby will be in harmony with the surrounding structures, and that the proposed construction complies with the Declarant's guidelines. The Declarant may condition its approval of proposals or plans and specifications on such changes therein as it deems appropriate, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Declarant may also issue rules or guidelines setting forth procedures for the submission of plans for approval. The Declarant may require such detail in plans, site plans, drainage plans, elevation drawings and descriptions or samples of exterior materials and colors. The Declarant may postpone review of any plans submitted for approval until all required materials have been submitted. In the event construction of any improvements proceeds without submitting plans to the Declarant or if construction proceeds without the approval of the Declarant or deviates from the issued approval, the Declarant shall have the right but not the duty to take such action as is set forth in Section 4.4 hereof and any other remedies as may be prescribed by law. In addition and without limiting the foregoing, all improvements constructed on any portion of the Declarant Property shall be constructed in a First Class Manner.

Without limiting the foregoing, each Lot Owner shall have the right to make any addition, change or alteration to the interior of any building or improvement located on such Lot

Owner's property, so long as such addition, change or alteration does not impact the exterior of the building or improvement.

4.2. Construction Obligations. While it is acknowledged that no Lot Owner shall have an obligation to commence construction of any improvements on its Lot, each Lot Owner agrees that once it has commenced construction of any improvements, such improvements shall be completed within 365 days after commencement. For purposes of this Section 4.2, "commencement of construction" shall be deemed to have occurred once steel or other vertical framing begins to be erected for the improvements. All construction and storage and staging areas with respect to a Lot shall be confined to the Lot. Nothing in this Section 4.2 shall be deemed to invalidate, modify or affect any construction obligations imposed on any Lot Owner pursuant to the deed by which the Lot Owner acquired title to the Lot or within any other document affecting such Lot.

4.3 Inspections. The Declarant shall have the right to inspect from time to time any Lot in order to determine whether any improvements constructed thereon meet the architectural standards and conform to the approvals issued by the Declarant.

4.4 Remedies in the Event of Non-Compliance. If the Declarant shall find that improvements, alterations or modifications to the Declarant Property are not in compliance with the architectural standards of the Declarant, the Declarant shall have the right to issue a report to the Lot Owner of such Lot particularizing the deficiencies. Within thirty (30) days after the date of such report, or such shorter period of time as may be appropriate in the event of an emergency or a dangerous condition, should the Lot Owner fail or refuse to commence and complete the work required by the report, the Declarant shall have the right to enter upon such Lot to remove any unauthorized improvements, alterations or modifications. Each Lot Owner does hereby authorize and vest in the Declarant the power to let out for bid the work required by the report, negotiate and accept bids and authorize contractors or subcontractors to enter upon the applicable Lot for the purpose of performing the specified work, in which case Declarant shall be acting as the agent for the Lot Owner and the entrance upon the Lot by those performing the work shall be a lawful entry and shall not be deemed a trespass. Declarant shall have the right to pay the contractors or subcontractors performing the work and within thirty (30) days of demand, the applicable Lot Owner shall reimburse the Declarant for all such sums expended together with interest at the rate of eighteen percent (18%) per annum from the date of the expenditure.

4.5 Term. The covenants and restrictions of Article 4 of this Declaration shall run with and bind the Declarant Property, and shall inure to the benefit of the Benefited Property and be enforceable by the Declarant until such time as neither the Declarant nor any other Nationwide Affiliate owns (directly or indirectly) any portion of the Declarant Property, the Benefited Property or any remaining portion of the Development at which time the terms and provisions of this Article 4 shall terminate and be of no further force or effect.

ARTICLE 5. MAINTENANCE AND REPAIR OBLIGATIONS

5.1 Maintenance Obligations. Each Lot Owner of any portion of the Declarant Property, in connection with and by acceptance of a deed to such portion of the Declarant

Property, whether or not it is so expressed in such deed, is deemed to covenant to maintain its Lot and any improvements to the Lot in good order and repair consistent with the First Class Manner and to prevent the Lot and any improvements to the Lot from falling into disrepair so as to create a dangerous, unsafe, unsightly or unattractive condition, or to otherwise violate this Declaration. The obligations to maintain shall include but not be limited to exterior paint on any building, landscaping, paving, trash removal and repair of exterior building surfaces.

5.2 Lot Owner's Liability. In the event any Lot Owner fails to maintain its Lot or any improvements constructed thereon so as to create a dangerous, unsafe, unsightly or unattractive condition, or to otherwise violate this Declaration, then the Declarant shall have the right to issue a report to the Lot Owner of such Lot particularizing the deficiencies. Within thirty (30) days after the date of such report, or such shorter period of time as may be appropriate in the event of an emergency or a dangerous condition, should the Lot Owner fail or refuse to commence and complete the work required by the report, the Declarant shall have the right to enter upon such Lot to cause the necessary repairs, maintenance or restoration to be performed to the Lot. Each Lot Owner does hereby authorize and vest in the Declarant the power to let out for bid the work required by the report, negotiate and accept bids and authorize contractors or subcontractors to enter upon the applicable Lot for the purpose of performing the specified work, in which case Declarant shall be acting as the agent for the Lot Owner and the entrance upon the Lot by those performing the work shall be a lawful entry and shall not be deemed a trespass. Declarant shall have the right to pay the contractors or subcontractors performing the work and within thirty (30) days of notice, the applicable Lot Owner shall reimburse the Declarant for all such sums expended together with interest at the rate of eighteen percent (18%) per annum from the date of the expenditure.

5.3 Inspections. The Declarant shall have the right to inspect from time to time any Lot in order to determine whether the maintenance of same meets the requirements of this Declaration.

5.4 Term. The covenants and restrictions of Article 5 of this Declaration shall run with and bind the Declarant Property, and shall inure to the benefit of and be enforceable by the Declarant until such time as neither the Declarant nor any other Nationwide Affiliate owns (directly or indirectly) any portion of the Declarant Property, the Benefited Property or any remaining portion of the Development at which time the terms and provisions of this Article 5 shall terminate and be of no further force or effect.

ARTICLE 6. INSURANCE

6.1 Insurance Requirements. Each Lot Owner shall be required to obtain and maintain adequate insurance on its Lot, which shall insure the improvements thereon for all hazards and perils normally covered by the causes of loss-special form, for the full replacement value thereof, with no deductions for depreciation, against loss by fire, flood, if in a flood zone, or other hazards. Such insurance shall be sufficient to cover the full replacement value, or for necessary repair or reconstruction work, including increased costs of construction and demolition due to law and ordinance. Such insurance shall contain a clause which provides thirty (30) days prior written notice to the Declarant before the policy can be canceled. Each Lot Owner shall be

required to supply to the Declarant, if requested, evidence of insurance coverage on such Lot Owner's Lot which complies with the provisions of this Section.

6.2 Obligations in the Event of Casualty. In the event of damage or destruction by fire or other casualty to any Lot covered by insurance written in the name of the individual Lot Owner thereof, or required by the terms hereof to be so covered, then such Lot Owner shall promptly thereafter, either (i) contract for or otherwise substantially start the repair or rebuilding of the damaged or destroyed portions of the structure and/or exterior of the improvement on any Lot in a manner consistent with the original plans and specifications or (ii) contract for or otherwise substantially start the razing of any improvements and removal of all debris from the Lot. If such Lot Owner refuses or fails, for any reason to so repair or rebuild or to raze and remove as provided, then the Declarant, is hereby irrevocably authorized by such Lot Owner to repair and rebuild such damaged or destroyed portions of the improvement on any Lot in a manner consistent with the original plans and specifications thereof or to raze any remaining portions of the improvements and remove all debris. The applicable Lot Owner shall be responsible for the payment to Declarant of all costs of such repair, restoration, rebuilding, razing or removal.

6.3 Remedies of the Declarant. Should a Lot Owner fail to maintain insurance required to be maintained hereunder, the Declarant may forward a default notice to the applicable Lot Owner. If the Lot Owner fails to obtain the insurance required hereunder within thirty (30) days after notice from the Declarant, then the Declarant has the right to obtain the required insurance coverage on such Lot, and the Declarant may charge and the applicable Lot Owner shall be responsible for the payment to the Declarant of the costs associated with obtaining such insurance together with interest at the rate of eighteen percent (18%) per annum from the date of the expenditure. Notwithstanding anything to the contrary in this Section 6.3 hereof, the Declarant and its directors and officers shall not be liable to any person should it fail for any reason whatsoever to obtain insurance coverage on any Lot.

6.4 Term. The covenants and restrictions of Article 6 of this Declaration shall run with and bind the Declarant Property, and shall inure to the benefit of the Benefited Property and be enforceable by the Declarant until such time as neither the Declarant nor any other Nationwide Affiliate owns (directly or indirectly) any portion of the Declarant Property, the Benefited Property or any remaining portion of the Development at which time the terms and provisions of this Article 6 shall terminate and be of no further force or effect.

ARTICLE 7. COVENANT FOR PAYMENT OF INDEBTEDNESS

7.1 Indebtedness. Each Lot Owner of any portion of the Declarant Property, in connection with and by acceptance of a deed to such portion of the Declarant Property, whether or not it is so expressed in such deed, is deemed to covenant to pay to Declarant any and all Indebtedness of any Lot Owner to the Declarant arising under any provision of this Declaration. All such Indebtedness, together with interest and all costs and expenses of collection, including reasonable attorneys' fees, remains the personal obligation of the entity or entities who was or were the Lot Owner(s) of such Lot when such indebtedness fell due. A Lot Owner shall be

jointly and severally liable for all unpaid amounts that come due up to the time of transfer, but such liability is without prejudice to any right the Lot Owner may have to recover from the previous Lot Owner the amounts paid by the Lot Owner.

7.2 Remedies of the Declarant. If any installment of Indebtedness is not paid within fifteen (15) days after demand, the Lot Owner responsible therefore may be required by the Declarant to pay a late charge of Twenty-five Dollars (\$25.00), to the extent permitted by law and subject to waiver by the Declarant. In addition, any Indebtedness not paid within fifteen (15) days after demand shall bear interest at the rate of eighteen percent (18%) per annum or the maximum rate allowed by law, whichever is lesser. If any installment of Indebtedness is not paid within thirty (30) days after demand, the Declarant may forward a default notice to the applicable Lot Owner. If the delinquent installments of any Indebtedness, and any charges thereon, are not paid in full on or before the thirtieth (30th) date specified in the notice, the Declarant, at its option, may declare all of the unpaid balance of the applicable Indebtedness to be immediately due and payable without further demand and may enforce the collection of the full Indebtedness and all charges thereon in any manner authorized by law and this Declaration, including, but not limited to, bringing an action at law against the Lot Owner individually obligated to pay any unpaid Indebtedness. No Lot Owner may waive or otherwise escape liability for Indebtedness herein on account of abandonment of the Lot, regardless of occupancy.

7.3 Cumulative Remedies. The right to institute suit to recover a money judgment for unpaid Indebtedness as above provided shall be in addition to and not in substitution for all other rights and remedies which the Declarant and its assigns may have hereunder and by law.

ARTICLE 8. GENERAL PROVISIONS

8.1 Enforcement. In addition to the remedies provided by law or in equity or under this Declaration, this Declaration may be enforced as follows:

8.1.1 Breach of any of the covenants contained in the Declaration and the continuation of any such breach may be enjoined, abated or remedied by appropriate legal proceedings by the Declarant and/or the Declarant. Any judgment rendered in any action or proceeding pursuant hereto shall include a sum for attorneys' fees in an amount as the court may deem reasonable, in favor of the prevailing party, as well as the amount of any delinquent payment, interest thereon, costs of collection and Court costs.

8.1.2 The remedies herein provided for breach of the covenants contained in this Declaration shall be deemed cumulative, and none of such remedies shall be deemed exclusive.

8.1.3 The failure to enforce any of the covenants contained in this Declaration shall not constitute a waiver of the right to enforce same thereafter.

these covenants or restrictions by judgment or court order shall in no way affect any other provisions hereof, which shall remain in full force and effect.

8.3 Amendment. Except as otherwise provided herein, the terms and conditions of this Declaration may be amended or modified only with the approval of the Declarant and each Lot Owner of the Declarant Property; provided, however, in the event that neither the Declarant nor any other Nationwide Affiliate owns (directly or indirectly) any portion of the Declarant Property or the Development and an instrument has been recorded in the public records of the County confirming this fact, then the terms and conditions of this Declaration may be amended or modified only with the approval of each Lot Owner of the Declarant Property.

8.6 No Third Party Beneficiaries. The terms and conditions of this Declaration shall inure to the benefit of the Lot Owners of the Declarant Property, the Declarant, the Declarant Property, the Benefited Property and each Benefited Party who holds record title to any portion of the Benefited Property and in no event shall any other owner of any portion of the Development be construed as a third-party beneficiary of this Declaration.
